The United States flag flown over U.S. Capitol in memory of Hopi H.S. student Charles Youvella, is presented to family

On Nov. 20, 2013, the United States flag flown over the U.S. Capitol in memory of Hopi student Charles Youvella. Youvella died last month after a car accident during the Az State High School Football playoffs. The flag was presented to the family by the Hopi High School J.R.O.T.C after a moment of silence during the football game against Valala.

The flag was flown over the Capitol by Congresswoman Ann Kirkpatrick in support of Hopi High School.

"It is very much appreciated that Kirkpatrick took the flag to be flown at half mast in Charles’ honor and for the U.S. Congress to support it," said Wallace Youvella, Father of Charles. "Kirkpatrick sent the flag to the family along with a personal letter from her.

The letter mentioned Charles as being a leader and someone who will be dearly missed, not only by Hopi High School, but by all of Arizona and the United States, who he said had great compassion and understanding and love when he did his best in every stage of his life, said Wallace.

William Wallace also said his son was a senior when he passed away from an automobile accident in 1997. He was very athletic; he played football, basketball and baseball. The school retired his Football (#32 and baseball (#9) jerseys in 1998. Youvella’s football jersey (#22) was retired in February.

Wallace said he wants the football team to continue what the team accomplished last year.

"I would like for them to meet and exceed the last year on and off the field. I want them to excel in every aspect of their lives," said Wallace.

PUBLIC APPOINTEE

August 29, 2014

Dear Hopi Senens,

This is a public apology to you all. I was arrested on a Driving Under the Influence charge on July 8. I am so sorry I drove in such a condition. I will not do it again.

I realize I could have been held accountable for the actions I took on the road I could have harmed someone or dozens of people.

There are countless things that could happen while driving under the influence it is not worth one of the above because we are all related to one another in some way and I would have to do any harm to any of my people.

I am so sorry and I will not do it again.

Sincerely,

LakammanitamioPhayoshowen

Lori Piestewa Hopi Post #80 participate in Groundbreaking for new Veterans’ Memorial Cemetery

Lucella Nahsonhoya Hopi Tutuveni

On Saturday, Sept. 6, a groundbreaking ceremony for a Northern Arizona Veterans’ Memorial Cemetery was held at Camp Navajo (12 mi. west of Flagstaff). Lori Piestewa Hopi Post #80 Vice Commander Phillip Quachytewa, had the honor of blessing the site in the Hopi language and Eugene “Geno” Talas, Director of the Hopi Veterans Services, represented the Hopi Tribe and Hopi Veterans as a ceremony participant.

The Veteran Administration (V.A.) is funding the 60-acre cemetery at a cost of $6.2 million. Phase I will develop 8.6 acres to secure the 274 pre-placed crypts, 222 in-ground burial plots, 220 columbaria niches and scatter the garden with ashes. The project was spearheaded by the Arizona Department of Veterans Services with support from the Arizona Legislature and Veterans Organizations. The Northern Arizona Veterans Cemetery is the second veterans cemetery in Arizona. The first is located in Sierra Vista in southern Arizona.

Weather permitting, the anticipated completion date and dedication of the Cemetery is set for Dec. 2015. Presentation of Colors was performed by the Flagstaff Marine Corps League and Mr. Andrew Griffin of the Arizona Veterans Advisory Commission served as Master of Ceremonies. Presenters at the Ceremony were AZ Department of Veterans Director Mr. Ted Vogl and Brigadier General John E. Burk, Commander, Deputy Land Component, Arizona National Guard.

Honored guests included Arizona Speaker of the House Andy Tobin, Coconino County Board of Supervisors Mandy Metzger and other Veterans service organizations.

During his speech, General Burk stated that Hopi and Navajo came to Camp Navajo shortly after World War II and began working there in munitions for the war.

Before he blessed the ground, Hopi Vice Commander Quachytewa shared his memories of living at Camp Navajo with his family as a young child and then, later in life, returned to Camp Navajo for training with the Arizona Army National Guard.

Quachytewa and Talas were given ceremonial shovels for their participation in the ceremony.

Then the angel showed me the river of the water of life, as clear as crystal, flowing from the throne of God and of the Lamb, down the middle of the great street of the city. On each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month. And the leaves of the tree are for the healing of the nations. No longer will there be any curse. The throne of God and of the Lamb will be in the city, and his servants will serve him. They will see his face and his name will be on their foreheads. There will be no more night. They will not need the light of a lamp or the light of the sun, for the Lord God will give them light. And they will reign forever and ever. Amen.
