Hopi High School 2016 Commencement

**Mr. Charles Gover, JHHS Principal**, served as Master of Ceremonies at the 2016 Hopi High School Graduation on May 26.

To begin the ceremony, the Hopi Jr/Sr High School Junior Reserve Officer Training Corps (JROTC) posted the Flags wearing a Black and Yellow cord on their uniform. Black in remembrance of a HJROTC member from Chinle who recently died and Yellow in remembrance of a young girl who was tragically killed in Shiprock, NM.

Student Raquel Manuelito sang the National Anthem with the help of fellow classmates, followed by a presentation by Teacher Gerald Find who presented a Special Award to Harvey Honfarmy for 30 years of dedicated service, since 1989.

The Keynote Speaker was 2008 HHS alumnusامتى نعيمى, from the village of Sichumokin. Nauim was enthusiastic about the gradua tion and said “Finishing crying, finishing yelling, finishing throwing something across the room, catch your break and remind yourself that everything will be okay. Be thankful for the life you were given. Be thankful for what you have. Today you accomplished a huge goal that you set for yourselves. It is okay to have a meltdown just as long as you have the will to pick yourself up. Take pride in yourself and who you will become and most importantly, remember that life is what you make of it.”

Lavoye Adams National Honor Society (NHS) Advisor recognized 3 members of the graduating class who graduated with honors: Keshonna Yazzie, Raquel Manuelito and Katrice Puhuhefvaya.

Puhuhefvaya received the Gates Millennium Scholarship and will attend Northern Arizona University in the fall. Adams said “This year is the last year that the Gates Scholarship will be given and Karize was the only student all five years to receive the award.”

Vice Chairman Alfred Lomahquahu Jr. presented the Salutatorian award to Kristen Russell. She encouraged classmates to become successful and continue to be driven in whatever path you take.”

Hopi Jr/Sr High Governing Board President Edgar Shipapa presented the Co-Valedictorian awards to Raquel Manuelito and Shane Morgan.

Mannino reminded the class that “Life has just begun for us and we have choices to make. Take all the opportunities life hands us and never forget where you came from and always be proud to represent the Hopi Nation.”

Morgan told classmates that the world is not ready for the Class of 2016. To inspire her classmates she said a quote from Dr. Seuss “You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose.”

Mr. Charles Gover presented the Graduation Class of 2016 and thanked all the staff for all their hard work.

**Crystal Dee Hopi Tutuveni**

As a daughter of a Vietnam Veteran I looked forward to the Vietnam Welcome Home Ceremony on May 24, but worried that may, including my father, do not want to be recognized for their services due to previous and personal reasons. When they experimented on me, they kept to them selves and rarely share. Over twenty Vietnam Veterans and their families showed up to be properly welcomed home at the ceremony hosted by the Hopi Veterans Services. Vietnam Veterans Day is nationally recognized on March 29 or 30 to commemorate the sacrifices of Vietnam veterans and their families and is part of a national effort to recognize the men and women who were de nied a proper welcome upon returning home more than 40 years ago.” (NCSL.gov)

During her time in radio class, she won a national award from the Journalism Education Association and two state awards from the Arizona Interscholastic Press Association. She was also a member of broadcast and to the Journalism Educa- tion Association (JEA) and the trip to the JEA Conference in Denver.

With the recent kidnap- ping of Ashlyn Mike, it was too close to home and brought concern for me because of a lot of teenage girls get off the bus on major highways and have a ways to walk home,” said Masamupeta. She also explained that some of the students at home to empty homes with no- one in them. Those students themselves don’t always check in with their parents, playing games with their friends. She wants to help the children identify who could come along to help them.

Recently, the Hopi Tribal Council (HTC) issued a Resolution 1-2016 on the Tobacco Use Prevention and Control Program (TUPAC) and adopted a Tobacco Use Prevention Ordinance (TUCO) on March 22, 2016. The TUPAC authorizes the Hopi Tobacco Prevention and Control Program (HTPAP) to collect a tobacco tax on commercial tobacco products and to implement public education and health promotion activities to reduce the use of tobacco products. The TUCO establishes the regulation of tobacco products, including the prohibition of tobacco sales to minors, and requires tobacco retailers to display health warnings on tobacco products.

The HTC approved a six-month implementation plan to prevent the introduction of tobacco products on Hopi Tribal lands. The plan includes the following steps:

1. Establishing a tobacco control program to identify and address tobacco use among Hopi Tribal members.
2. Implementing public awareness campaigns to educate Hopi Tribal members about the health risks of tobacco use.
3. Developing partnerships with other organizations to provide resources and support for tobacco control efforts.
4. Monitoring the effectiveness of the program and making adjustments as needed.

The HTC also approved a Small Animal Control Ordinance, which establishes regulations for the control of small animals on Hopi Tribal lands.
