Be Ready! Winter Weather

Weatherproof your home to protect against the cold.

- Install a smoke detector and carbon monoxide detector in your home.
- Have your chimney or flue inspected every year.
- Make sure the batteries are working!
- Insulate walls and attic.
- Caulk and weather-strip doors and windows.
- Never leave lit candles or other flames unattended.
- Bring your pets indoors as temperatures drop!

Prepare yourself for exposure to winter weather.

- Dress warmly and limit exposure to the cold to prevent frostbite.
- Avoid getting wet to prevent hypothermia.

Make sure your car is ready for winter travel.

- Check antifreeze level and have radiator system serviced.
- Replace worn tires and check tire air pressure.
- Keep gas tank full to avoid ice in tank and fuel lines.

If power lines are down, call your local utility and emergency services.
