A public forum was held on the evening of July 31 during which time Petitioners for the positions of Hopi Tribe Chairman and Vice Chairman were interviewed by the Hopi Election Board to certify them as Candidates in the upcoming Primary Election set for Sept. 14 and the General Election on Nov. 9.

Two Petitioners, Clay Patrick Hamilton for Chairman and Samuel R. Shingoitewa, Jr. for Vice Chairman, were not certified due to not meeting the Hopi language proficiency requirement.

Certified Candidates for Chairman of the Hopi Tribe are: David Norton Talayumtewa from Kykotsmovi Village, Tim Nuvangyaoma from Mishongovi Village, Alfred Lomah-

quahu, Jr. from Bacavi Village, and current Chairman Herman G. Honanie who is seeking re-election to the post.

Certified Candidates for Vice Chairman of the Hopi Tribe are: Lamar B. Keevama from Bacavi Village, Arthur Batala from Mishongnovi Village, and Clark Wayne Tenakhongva from Hotevilla Village.

Interviews were also conducted by the Hopi Tutuveni, for publication. Three questions were asked of each Candidate: 1) What inspired you to run for Chairman or Vice Chairman of the Hopi Tribe, 2) What is your platform and what are your priorities, and 3) What message would you like to send out to the Hopi/Tewa Sinom?

Miss Hopi 2017 Royalty

Miss Hopi Brenny Masawytwa, First Attendant Mikaela Gamble and Second Attendant Kelly Tungovia pose for a picture. The Miss Hopi Royalty visited the Hopi Tribal Council on August 9 to introduce themselves and share with the Council their Agenda and activities for the year. Council welcomed and encouraged them to represent the Hopi people well during their reign as Miss Hopi ambassadors.

CORRECTION: August 1 Hopi Tribal Council approves funding for Hopi Arsenic Mitigation Project

Louella Nahsonhoya
Hopi Tutuveni

CORRECTION: In the last issue of the Hopi Tutuveni, *Hopi Tribal Council approves funding for Hopi Arsenic Mitigation project*, the Author of the The Action Item and legislation was First Mesa Consolidated Village Council Representative Wallace Youvella, and not Lionel Puhuyesva.

Puhuyesva provided all the technical support but the legislation was authored and introduced by Youvella at the prompting and encouragement of the First Mesa Consolidated Village leadership. It is the FMCV leadership's priority to correct the water issues and bring back into compliance. We apologize for any convenience this may have caused.

Candidates for Hopi Chairman - From P1

David Norton Talayumptewa Candidate for Chairman

David N. Talayumptewa is Tobacco Clan from the Village of Kykotsmovi. His father is Bear Clan. Talayumptewa holds a Bachelor of Science Degree in Personnel and Industrial Relations from Utah State University and a Master of Science Degree in Human Resource Management from the University of Utah. He has 29 years of senior executive level experience with the federal government Bureau of Indian Education and currently serves on the Hopi Tribal Council as Representative for the Village of Kykotsmovi. Talayumptewa was commissioned a 2nd Lt. in the U.S. Army Reserve in 1973.

What inspired you to run for Chairman

“I have watched the Hopi Tribal government for quite some time now,” said Talayumptewa. “Since December 2016 when I began serving on the Hopi Tribal Council as Representative for the Village of Kykotsmovi, I have seen the internal workings of the Hopi Tribe and found there are many challenges the Tribe faces. The Hopi Nation must address these challenges. I believe I am in the position to help overcome these challenges. I have many years of leadership experience working for the Tribe and the federal government. I feel my training and experience can benefit the Hopi Tribe immensely, and will help move the Hopi Tribe forward into the 21st century, yet retain our culture and improve our language retention.”

Platform and Priorities

My platform is “hopit katsit yat navokyawin diwni” which translates to “*A better and improved life culturally and to navigate and prosper educationally and, economically while improving the quality of life for Hopi*”. This platform is continual.

- Culture: Retain and relearn the Hopi language and culture. Our language is the basis of who we are as a people. In order to continue our traditions and ceremonies we must figure out a way as a people to address this issue. This will be a major challenge.
- Education: Redirect our resources to meet the challenges of the 21st century for our Hopi students.
- Economic Development: Determine alternative, long-term revenue sources that the Hopi Tribe can depend on. Identify a variety of resources that the Tribe can develop, implement and receive continual revenues from.
- Fiscal Accountability: Implement a system of fiscal accountability within the Hopi Tribe, which will include accountability on the part of the Tribal Council, tribal leadership and tribal programs.
- Health issues: Health issues must be addressed. We need a better and improved health system on the Hopi reservation.
- Social & Behavioral Health: Begin dealing with the alcohol and drug issues that are prevalent on Hopi. Develop alternative programs and initiate actions to combat and reduce/eliminate the drug/alcohol problem. Improve behavioral health services for Hopi students that require it.
- Intergovernmental Relations: As a tribe we must have a larger presence outside Hopi to help our efforts to litigate our water and land resources.
- Villages: Develop cooperative working relationships with all villages. Encourage and include village input in all critical issues facing the tribe.
- Government to Government Relationships: Develop positive relationships with federal & state governments and other entities the tribe has relationships with.
- Hopi Leadership: Begin advocating for Hopi/Tewa people and not allow the government to continue to determine our future as a Hopi Nation. We must begin to exercise our sovereignty that is rightfully ours.
- Hopi Artifacts: Begin to develop & implement laws to protect our Hopi artifacts. Right now there are Hopi artifacts being auctioned, abroad. We must develop laws to allow us to mitigate and repatriate back home.

Message to the Hopi/Tewa People

“I am very culturally involved in Hopi culture and ceremonies,” said Talayumptewa.” I have the necessary experience and leadership experience to produce results for the Hopi people. I believe that as a nation working together, we can realize and provide answers to the challenges we face. The Chairman alone cannot overcome these challenges, but we can address these issues, if we band together as a Nation. I will depend on input from the villages to assist in addressing the challenges of the great Hopi Nation.”

Alfred Lomahquahu, Jr. Candidate for Chairman

Alfred Lomahquahu, Jr., Greasewood Clan from the Village of Bacavi, is the current Vice Chairman of the Hopi Tribe.

What inspired you to run for Chairman

“What inspired me to run for Chairman was the voice of the people. They were the ones who had faith in me when I ran for Vice Chairman and continued up to this point,” said Vice Chairman Lomahquahu. “What the people are asking for, what they want and they’re looking at me as candidate for Chairman This is what inspired me to run. Secondly, I’m inspired by the fact that I’ve been Vice Chairman for four years now and have learned to deal with the issues here on Hopi and on a broader sense with the state and Federal government.”

Platform and Priorities

- Ensure the Hopi government is running efficiently and enhance it so that it is running at optimum range.
- How do we enhance programs to work with the people
- Bring the villages back so they have a voice in the direction of the tribe in the next 4 years and on.
- Correct problems within the Hopi Tribe; if we don’t fix our house, we really won’t be able to do anything else.
- Know how to spend the funds of the Hopi Tribe. The

Tim Nuvangyaoma Candidate for Chairman

Tim Nuvangyaoma is Tobacco Clan from the Village of Mishongnovi, and the son of Gladys Sosnewa. His Hopi name is Muytala and most people know him as Mooney.

What inspired you to run for Chairman

Being a part of KUYI Hopi Radio, Nuvangyaoma became involved in local community events and affairs and has been privileged to hear the voices of Hopi people both on and off the reservation about their concerns and issues relating to the community. The community is concerned about the future and pleads with the tribal government for positive change and progress for the Tribe. His involvement with the community, especially with the Youth and Elderly has prompted and encouraged him to run for Chairman of the Hopi Tribe.

Platform and Priorities

“Hopi moopeq (Hopi first) – is our first identify and a path laid out for us long ago for a good and healthy life,” said Nuvangyaoma. “Sumi’unangwa and Nami’unangwa are terms of great importance to the Hopi culture to come together and unify to build a healthy, strong community, yet has been thrown around loosely. Nuvangyaoma said he would like to see positive momentum moving forward to build community relationship and rebuild trust among the Hopi people and the Hopi Tribal Government. His priorities are many including: strengthening the role of the Tribal Government, Elderly services, Youth programs, Schools/Education, Economic Development, supporting Community/Village efforts, Non-profits, Health services, Law Enforcement and social/behavioral services. “Alcoholism is an epidemic and we need to start addressing this instead of sugar coating it,” said Nuvangyaoma. His focus is to rebuild and strengthen relationships among the Hopi community as well as strengthen the tribal government, economy and infrastructure.

Message to the Hopi/Tewa People

“You have choices among three (3) candidates for the office of Vice Chairman and four (4) candidates for Chairman. Take a close look and vote for the candidate of your choice. Don’t be manipulated by others. We want you to be heard. Become involved and Vote. Everyone’s voice is important!

Herman G. Honanie Candidate for Chairman

Herman G. Honanie is from the Village of Kykotsmovi currently seeking re-election as Chairman of the Hopi Tribe. Honanie is Pipwungwa and married to Arlene Honanie and have three children and eight great grandchildren. Honanie holds a Bachelor of Arts degree in Political Science from the University of Arizona. “As current Chairman of the Hopi Tribe, my desire to seek re-election is based on several reasons,” said Chairman Honanie:

- Involved and knowledgeable of the various projects and issues that face the Hopi Tribe. Issues are local, State and Federal matters and four years of experience has provided me with much understanding and growth while in this position.
 - Learned and experienced in the many steps and processes involved in working with outside entities including the Federal Government. I’ve engaged in many meetings with Senators and Congressman over the past 8 years serving as Vice Chairman and now Chairman of the Hopi Tribe.
 - Established a positive working relationship with various Tribal Leaders within the State of Arizona as well as of other States; especially, with our sister Pueblos in New Mexico.
 - Established positive rapport with Villages and people.
 - Well based in the proceedings of the expectations and role of the Chairman of the Hopi Tribe.
 - Since 1979 I have worked for the Hopi Tribe in various capacities including: the Manpower Program, Manager of the Department of Health and Human Services and elected as Vice Chairman and Chairman of the Hopi Tribe. I have served the Hopi Tribe for at least 33 years.
- I am well based in the proceeding and expectation and role of the Chairman of the Hopi Tribe and if re-elected, I will look to expand the role of the Chairman and Office.

revenue is decreasing so we need to make sure programs maximize their output with what they have now, spend efficiently and invest into the future.

Message to the Hopi/Tewa People

“The office of the Chairman needs an individual with experience and knowledge of the interworkings of the tribal government, interworkings of tribal programs and interworkings of the tribal council,” said Lomahquahu. “The next Chairman needs to know the Tribal Council priorities and the voice of the people. One of the things that has not happened with the past few administrations is there has never been a transition plan in place. The tribal government has been in turmoil for at least 10 years. We need to correct the chaos that is currently being focused on and really find out the priorities we are facing. We need someone with experience and knowledge so that we don’t start at square one again when we elect a Chairman. The People have faith, but have lost it with the Hopi tribal government. If we regain faith and work together, we can more forward. Despite revenues decreasing, there are economic development opportunities we can reach out to, to bring revenue back to the Tribe.

Hopi Tutuveni Submission Guidelines

The Hopi Tutuveni welcomes the submission of articles, press releases and letters to the editor and should be in Word Format. Submission does not guarantee publication and the following guidelines are provided to help increase the likelihood of publication. If you have questions or require additional information, please contact the Managing Editor, Louella Nahsonhoya, at (928) 734-3282.

LETTERS TO THE EDITOR:

Letters to the editor provide an opportunity for individuals to share their opinions on issues of concern to Tutuveni readers. Letter should not exceed 500 words and must include the full name of the author, contact information (Phone number or email address) and place of residence. Anonymous letters and letters written under pseudonyms will not be published, nor will letters considered by the Tutuveni editorial board to be libelous or slanderous in nature (e.g. personal attacks or unsubstantiated accusations).

PRESS RELEASES:

The Tutuveni welcomes press releases prepared by organizations, agencies, departments and programs. Press Releases must state it is a Press Release/News Release and include complete contact information (author’s full name, telephone number or email address, position title and organization) and must be submitted on official letterhead. The Tutuveni publishes press releases as a public service and cannot guarantee that all submissions will be published.

NEWS ARTICLES:

The Hopi Tutuveni welcomes original articles reporting on local, state and national news items of interest to its readers. We are especially interested in articles reporting on events and activities involving members of the Hopi Tribe. Submissions must include full contact information (author’s name, mailing address and telephone number or email address). The Tutuveni reserves the right to edit articles for style, length and clarity. If significant editing is required, the Managing Editor will communicate with the author prior to publication.

SUBMISSION PROCESS:

Letters, press releases and news articles may be submitted in person, by mail or email to: Louella Nahsonhoya, Managing Editor, P.O. Box 123, Kykotsmovi, AZ 86039; email address: L.Nahsonhoya@hopi.nsn.us. The Tutuveni is published on the 1st and 3rd Tuesday of the month and all submissions must be received one week prior to publication date (call 928-734-3282 for deadline schedule).

PUBLICATION/CIRCULATION:

The Hopi Tutuveni is delivered on the 1st and 3rd Tuesday of the month to the following locations: Keams Canyon Store, Polacca Circle M, Hopi Health Care Center, Hopi Cultural Center, Kykotsmovi Village Store, Hotevilla Store, Moenkopi Travel Center, Moenkopi Legacy Inn and Tribal Government Complex. The Hopi Tutuveni is mailed to subscribers on the day of publication.

The Hopi Education Endowment Fund (HEEF) held an event on August 20 to recognize HEEF scholarship recipients. The theme of the event was “Returning Home” which is a migration symbol of the Hopi People, Hopi children and *”Itaa sinmuy amungem Mongvastoti”* meaning; benefits to the Hopi people.

The event was held at the Moencopi Legacy Inn. The Master of Ceremonies was HEEF member and Hopi Tutuveni Board member, Candace Hamana. Keynote Speaker was Sam Tenakhongva.

The night was filled with activities including a silent

auction, network reception, buffet style dinner, Hopi dance performance, recognition of donors, introduction of the Honorable Diane J. Humetewa scholarship, and recognition of the 2017 Hopi student recipients. Families of student recipients also attended to celebrate the event.

The Silent Auction was held from 4-8pm which included Hopi crafts by Hopi artisans. A variety of items were auctioned, including skate boards detailed with Hopi symbols and drawings, piki inpi (plater/plate) made from yucca, and Hopi overlay jewelry by Hopi silversmiths, inlayed jewelry (various stones: turquoise, onyx and opal) and beaded jewelry.

The buffet style dinner was a delicious meal of barbeque pulled pork/chicken, corn bread, potato salad/fruit salad, ice tea beverage and strawberry cream cheese for dessert.

A Hopi group performed the Water Maiden dance, which was enjoyed by everyone. Families visited and networked with each other and all were proud of their children. Families were grateful to HEEF for all their work, support and efforts which allows their children to continue with their education.

Kudos to all the parents and families for providing the guidance and support to your children “Job well done”!

Candidates for Hopi Vice Chairman - From Page 1

Lamar B. Keevama Candidate for Vice Chairman

Lamar B. Keevama, a candidate for Vice Chairman of the Hopi Tribe, is Tep’wungwa from the Village of Bacavi and married to Dawn (Shupla) Keevama of Shungopavi Village.

What inspired you to run for Vice Chairman
Keevama is currently serving multiple terms on the Hopi Tribal Council representing the Village of Bacavi. “I’ve gained a wealth of knowledge of not only our tribal government, but also at the federal, state, and county levels and will use this knowledge to work toward establishing an efficient, responsible government for our Hopi/Tewa people,” said Keevama. “No rash changes, but, instead, I encourage all areas of our government to work together to achieve success and prosperity. This coupled with encouraging words from colleagues, friends, and families who see that leadership in me, has inspired me to vie for the Office of the Vice Chairman.”

- Platform and Priorities**
- I will work toward investing more into our Hopi/Tewa youth, because they are the future of our people. We need to ensure they have the tools and the resources available to them in order for them to carry us well into the future.
 - Preserve and Secure Water Rights for our people and Secure Infrastructure Funding to Deliver Clean Water to our Villages. Clean water is the basis for a healthy nation, and we need to ensure we have enough of it now and into the future.
 - Realize the full benefits of the 1996 Navajo Hopi Land Settlement Act. This will provide a contiguous trust land base for the Tribe along the I-40 corridor. This will also create multiple opportunities.
 - Establish effective communications with our local schools to ensure our Hopi and Tewa children are getting the education they deserve. We need to ensure our children have the tools and skills they need to lead us into the future; culturally, economically, and in our governments.
 - Continue to support the timely completion of past audits and ensure all mechanisms are in place to ensure we don’t create this issue again, once completed. The people have a lot of questions, including myself, about the Tribe’s finances. A responsible government should be able to answer these questions. Let’s work towards that.

Message to the Hopi/Tewa People
In his message to the Hopi people, Keevama said, “Become involved with your tribal government... if you haven’t already. Attend Tribal Council sessions and approach your Council representatives and give them your input. Let them know what you are thinking and what you want them to advocate on your behalf. ”
“Get out and Vote, whether you vote for me or another candidate, your vote matters and it will have an impact on your government. Thank you for considering me as your next Vice Chairman of the Hopi Tribe.”

Clark Wayne Tenakhongva Candidate for Vice Chairman

What inspired you to run for Vice Chairman
Clark Tenakhongva, from the Village of Hotevilla, said he was encouraged by the youth, elderly, veterans and ranchers to seek the position of Vice Chairman of the Hopi Tribe. “One young person who really inspired me to run was my 9 year old grandson Suyma,” said Tenakhongva. “He reminded me that the deadline was coming up and went with me to the Elections office to file the paperwork.”

Platform and Priorities
Tenakhongva’s platform is to reunify the working relationship and communication between the Offices of the Chairman and Vice Chairman in order to enhance the priorities of the tribal government for the benefit of the Hopi people. There has been a divide between the two offices for many years because they have their own priorities and agendas. “If elected, the Chairman will have to accept me as Vice Chairman and we need to both look at issues to work on together, or delegate the authority,” said Tenakhongva . Naminangwa and Suminangwa are supposed to be much meaningful words to Hopi, but are now being used in loose terms.

- Education: Need a set curriculum for Hopi grant schools. All Hopi schools are now grant schools, but there is no policy or direction in place for the schools. A set curriculum is needed so all students will be prepared when they enter the Hopi Jr.Sr. High School, the feeder school.
- Revenue: NGS will be closing in a few years and the Hopi Tribe will need alternative sources of revenue. Seek renewable energy and explore ways to generate revenue for the Hopi Tribe.
- Hopi Culture/Language: Hopi language is a critical part of Hopi identity. Hopi should be our first language. During the election interviews, it was difficult for some petitioners for Chairman and Vice Chairman to answer questions in Hopi.
- Water: Council recently passed a Resolution to appropriate funds for the Hopi Arsenic Mitigation Project. This is a priority and the leadership must start doing something for the health and safety of the people. “Will it take a big epidemic before something is done about this?”

Message to Hopi people
“If given the opportunity by voters to serve as Vice Chairman, I will treat everyone as my children and look out for their best interests,” said Tenakhongva. “All people were put here by the Creator and all are valuable. I will work for all people. I have many years of leadership experience with the tribal government and the Veterans Affairs. I worked for past Hopi Chairmen and as VA Counselor for at least 10 years and have gained experience and earned their respect. I have been involved in community events, cultural events, school activities, veterans affairs, and with the ranchers (grazing permitting recently passed by HTC) and understand the issues they are facing. I will work on their behalf.

Arthur Batala Candidate for Vice Chairman

Arthur Batala, is a Candidate for the Office of the Vice Chairman of the Hopi Tribe. Batala is a Veteran of the U.S. Marine Corps and formerly served on the Tribal Council representing the Village of Mishongnovi.

What inspired you to run for Vice Chairman
“Four years ago I attempted to run for Vice Chairman,” said Batala. “After interviews were conducted by the Hopi Elections Office, I took a look at who was running and decided to withdraw my name as candidate to give those running the opportunity to make positive changes to benefit the Hopi Tribe. However; after four years, looking in from outside the box, I now have serious concerns about things happening and/or not happening by the Hopi Tribal Council and Administration. I now have a better perspective and this has inspired me to run again. I’m not good at complaining but want to see results.”

- Platform and Priorities**
With the Hopi/Tewa Sinom being disenfranchised from participating in tribal government affairs, Batala’s platform is to Empower and Restore Priorities in three areas:
- Restore Village Empowerment: People have the power and have the voice.
 - Primacy: The Hopi people are first and foremost.
 - Autonomy: Return to a state of independence, self-determination and be self-governing villages. Batala stated he has not seen any movement by the Hopi Administration and the Legislative body to connect and/or restore these three components with the Hopi/Tewa Sinom. Batala said there are several sub points and categories he would like to address under the three priorities of Empowering and Restoring Hopi Tribe and all people and villages must be treated fairly across the board. He also added that some villages were appropriated funding and overspent their FY general fund allocations in the past but no penalties were imposed. On the other hand, three villages who were unable to complete their FY audits (due to unfortunate circumstances), were punished for it by having their budgets cut. Where is the Fairness?

Message to the Hopi/Tewa People
“To my Hopi/Tewa Sinom, there has been a lot of concern about people representation or lack thereof. Serious things need to be put in place. The Chairman and Vice Chairman were elected by the people to represent them. We need to remind the Council that the people elected then and are in charge. The people have the power and authority to ensure they are represented in ways the Constitution allows them to be represented. My message is simple but clear, the Hopi Tribal Council needs to start working with the Villages. It is more important now with the decrease in the Tribe’s revenue. The main source of revenue - the Peabody Coal Mine - will eventually close its doors and we need a better fiscal management in place. Cutting the budget by 12% each year is not the answer. In some instances, the cut will only cover salaries with no funding for operations. We need to look at reducing the tribal budget from the top down, from the legislative level down to the programs. If elected, I will take a comprehensive look at restoring village empowerment, primacy and autonomy and will continue to work on issues of importance to the Hopi Tribe. I will be accountable as an elected official on behalf of the Hopi/Tewa sinom. I will focus on Village empowerment and will work on restoring primacy and autonomy as my priority.

Help Support Cancer Patients Climb the Mesa to Conquer Cancer 10k Run &Walk on September 10, 2017

HOPI CANCER SUPPORT SERVICES

In 2005, the Hopi Cancer Assistance Fund (HCAF) held its first Climb the Mesa to Conquer Cancer fundraising event to assist community members with travel related expenses during the time of their treatment.

The HCAF is continuing with its fundraising efforts and will host another Climb the Mesa to Cancer Cancer 10k Run & Walk on September 10. Registration starts at 6:30am and the Run/Walk event at 8am.

The 6 mile uphill course starts at Sunlight Mission Road/Highway 264 and ends at the Hopi Cultural Center. Participants will be shuttled to the starting point.

No strollers, bikes, and/or pets are allowed on the shuttles or the course. All participants must be 8 years of age or older. There will be free games for the kids and refreshments for the participants.

The HOPI Cancer Support Services will be hosting, “Men Moving Forward in Strength to Keep their Health on Target”- Men’s Night Out (MNO) Event on Thursday, August 24 at the Hopi Veteran’s Memorial Center from 5:00-8:30pm.

When it comes to prevention and health screenings, men’s health often takes a back seat to women’s health and they generally lead a less healthy lifestyle. In addition, men are more likely to put off routine checkups and also delay seeing a healthcare provider. The good news is

that many of the health conditions and diseases that men face can be prevented or treated, if found early. The first step is for men to understand the importance of taking better care of their health, understanding the risk factors and overall seeking ways they can improve and make change.

The goal of MNO is to empower men to make health a priority and gear the focus on men’s health, fitness, cultural roles and cancer screenings as well as provide local resources.

We invite all male individuals to attend and bring a guest. There is no pre-registration. You can register the day of the event.

The 12th Annual Climb the Mesa to Conquer Cancer 10k Run & Walk is scheduled for Sunday, September 10. So mark your calendars! All proceeds made from this event will go toward the HCAF program. A program that is available to all cancer patients who are undergoing treatment for cancer.

The monetary support is available to assist with gas, meals and lodging. More details will be coming forth on the registration fee. HCSS is seeking organizations and programs to host a water station. Should you be interested please contact the Cancer Support center for further detailed information.

HTHA hosts Back-To-School Public Safety Event

Submitted by:
Hopi Tribal Housing Authority

The Hopi Tribal Housing Authority (HTHA) and its staff held a Back-To-School/ Public Safety Event on July 28 for school students during which they supplied them with school supplies and provided them lunch.

The focus of the event was not only to ensure the students were equipped with supplies for the new school year; but also, to encourage thinking about local Crime Prevention & Public Safety.

Representatives from the Hopi Police Department, Hopi Resource Enforcement Services, Emergency Medical Services, Hopi Fire Services, and Department of Public Emergency Services were in attendance to bring awareness to students about Fire Safety, Ambulance Services, Drugs, Alcohol, and Violence.

The HTHA encourages students to attend school and also to promote safe and healthy lifestyles.

This was the first year the HTHA held this type of event and which proved to be a great success with over 400 students attending and signing in to receive school supplies and information.

The HTHA thanks all programs and departments for their time and participation in the back-to-school event. HTHA staff also wishes everyone a safe, happy and healthy school year.

Veterans and families together learn about PTS and TBI

Hopi Veterans Services

Eugene Talas
Hopi Veterans Services

“Nightmares”, “flashbacks”, “never talked about it”, “trust” and “Hopi traditions” were some of the words to describe the challenges of Veterans and Families facing Post-Traumatic Stress (PTS) and Traumatic Brain Injury (TBI), during the recent “*Pathway to Healing Veterans and Families Together*” meeting on August 2, 2017, at the Hopi Wellness Conference Center.

About 30 Veterans, family members and parents of active duty members attended the meeting to learn about PTS and TBI and how these affect returning combat war Veterans and their immediate family members. The meeting was divided into three segments, first a talk by Mr. John Davison, Liaison, Coconino County Veterans Coalition, followed by Ms. Sharon Fredericks, VA Combat Readjustment Center and finally a “talking circle” for Veterans and family members.

Mr. Davison spoke on the various aspects of military members showing signs of PTS symptoms as a result of combat and witnessing the harsh reality of war. These include having problems sleeping, feeling of being sick inside, confusion, or for Veterans “not easy to wash away”, to name a few words mentioned at meeting. Davison, then talk about TBI and how the damaging effects of explosions in combat are injuring the brains of combat Veterans. If not treated, this could lead to further brain complications and other PTS symptoms.

Following Davison’s remarks, Ms. Sharon Fredericks, spoke on military life and how the transition back to civilian life can be challenging for some Veterans. Closer to home, she also touched on the traditions and culture of Hopi as another thought of trying to balance both worlds of combat and Hopi values that caution “war is not good”. Additionally, she had everyone take part in a soothing “breathing exercise” as another tool to help relax and calm one’s self at the end of each day. Fredericks summarized her talk; “*Learning to manage chronic PTS symptoms is an on-going challenge for each veteran every minute of the day. The intensity of feeling is real. Confronting it is a key that leads to understanding the effects it has on yourself, your children and the community. Educating yourself to recognize your particular “triggers” is KEY to learning to manage them when your body “tells” you are stressed. The VA has many resources available, seek them out, and find one that fits your style of stress management. Transcend the trauma by your own self-care. Remember, traumatic thoughts are just that, thoughts. It can be changed.*”

Finally the meeting was devoted to an open “talking circle” to allow Veterans and Families members to express themselves, or ask questions about PTS/TBI or other veteran-related services they can contact for assistance. During this last hour, almost everyone spoke on experiences as a combat Veteran, as a spouse seeking help and or as concerned parent of those still serving in the Armed Forces. Most of the Veterans and family members felt this was good to just let out their emotions or to just listen, without judging.

During the “talking circle”, a facilitator wrote words on a large writing pad which began to show a common trend among the participants. Comments such as “I don’t ask for help”; “war is hell”; “marriages and divorces problems”; “substance abuse issues”; “hurting selves or others”; “where can I find help”; “uncertainty”; “trust”; and “courage to seek help”. One Veteran expressed “triggers”, such as smells, food, i.e. etc. often remind him of his war experiences and he is still “fighting demons” inside him. At the end of the “talking circle”, the consensus by everyone was this was a good therapy and a first step to help heal the Veteran and Families together. Most expressed the need to continue the “talking circle” and hopefully engage other Veterans to seek the help and resources to obtain treatment or counseling.

Davison ended the evening with his comment; “*The effects and hardships of PTS-TBI are far reaching in the lives of our brave men and women in northern Arizona. As we learned together in our community discussions these concerns have troubled Hopi Veterans and their Families for some time. From World War II, Korean War, Vietnam War to OEF/OIF, your service members are returning with these invisible wounds...the scars of war. It is imperative that the community is involved with their struggle, but it is even more important that each Veteran understand their individual circumstances and condition, and to follow their own “Pathway to Healing”.*”

From this meeting, both Hopi Veterans Services and VA Combat Readjustment Center, hope this will lead to future meetings for our Hopi Veterans and their Families to connect them to VA or other service agencies to get help for PTS and/or TBI. Additionally, Hopi Veterans Services will schedule a similar meeting in Moenkopi area in September 2017 to connect and reach out to our Veterans in Western Hopi.

Finally, we thank Mr. John Davison and Ms. Sharon Fredericks for speaking and Lori Piestewa Post #80 members for supporting the Veterans and their Families at the meeting. For more information on PTS/TBI or to join in future meetings, please call (928) 734-3461.

Second Mesa man sentenced to prison for Domestic Violence related shooting

FOR IMMEDIATE RELEASE
Office of the US Attorney
Elizabeth A. Strange, District of Arizona
Public Affairs COSME LOPEZ 602.514.7694

PHOENIX – On August 7, Stephan Selina, 26, of Second Mesa, Ariz., was sentenced by U.S. District Judge Douglas L. Rayes to 57 months of imprisonment. Selina had previously pleaded guilty to assault resulting in serious bodily injury against an intimate partner.

On August 8, 2015, Selina and his girlfriend got into an argument at a residence on the Hopi Indian Reservation. During the argument, Selina shot his girlfriend with a shotgun, causing serious injuries. Selina and the victim are both enrolled members of the Hopi Indian Tribe.

The investigation in this case was conducted by the Federal Bureau of Investigation and the Bureau of Indian Affairs – Office of Justice Services (Hopi Agency). The prosecution was handled by Assistant U.S. Attorney Alexander Samuels, District of Arizona, Phoenix.

Second Mesa teenagers sentenced to lengthy prison terms for brutal murder

FOR IMMEDIATE RELEASE
Office of the US Attorney
Elizabeth A. Strange, District of Arizona
Public Affairs COSME LOPEZ 602.514.7694

PHOENIX – On August 7, Arianna Soohafyah, 18, and Camille Lomaomvaya, 17, both of Second Mesa, Ariz., were sentenced by U.S. District Judge Douglas L. Rayes to prison terms of 20 years and 16 years, respectively, for their roles in a 2016 murder. Soohafyah had previously pleaded guilty to conspiracy to commit murder and Lomaomvaya had previously pleaded guilty to carjacking resulting in death.

Obtaining justice for victims of violent crime is a top priority of the U.S. Attorney’s Office,” said Acting U.S. Attorney Elizabeth A. Strange. “Today’s significant sentences serve as a reminder that the United States will aggressively prosecute those who target vulnerable victims on tribal land.”

“The FBI considers all acts and threats of violence to be serious offenses,” said FBI Special Agent in Charge Michael DeLeon. “We appreciate our partners at the Bureau of Indian Affairs and the United States Attorney’s Office for their thorough and expeditious prosecution of these violent offenders. We will continue to work together in our efforts to make our communities safe.”

On May 27, 2016, Soohafyah and Lomaomvaya forced their way into the home

of the victim, a Second Mesa resident and enrolled member of the Hopi Tribe. Once inside, Lomaomvaya held the victim at knifepoint. Soohafyah eventually took the knife and fatally stabbed the victim.

Lomaomvaya stole the victim’s car and fled the scene. Soohafyah unsuccessfully attempted to hide and destroy evidence that afternoon and in the following days. Investigation later revealed that Soohafyah and Lomaomvaya had planned the attack for more than two months. Both Soohafyah and Lomaomvaya are enrolled members of the Hopi Tribe.

The investigation in this case was conducted by the Federal Bureau of Investigation and the Bureau of Indian Affairs Office of Justice Services (Hopi Agency). The prosecution was handled by Assistant U.S. Attorney Alexander Samuels, District of Arizona, Phoenix.

First Mesa Youth Center provides community service

Youth clean up the park in Keams Canyon

Youth clean up day

Eldon Kalemsa, Jr.
FMYC Manager

Despite the long hot July heat, the first Mesa Youth Center youth found time to provide community service by cleaning up the park in Keams Canyon on July 10, 2017. The little ones, ages 8 to 12 picked up trash and all and the older ones, 13 to 18 hoed and raked up the area. They followed up with a cookout of hot dogs and a cool lunch back at the center.

This is just one of the many activities the FMYC youth have been engaged in. They have been having activities such as “Drums in the summer” Powwow on the basketball courts below the center, bingos and carnivals which have been fund raising activities for the Youth

Leadership group for their end of summer Bash. Planning, setup, cleanup are all part of the responsibilities of the group along with making sure everyone contributes, participate to be fair. 3 misses without an excuse or no participation may result in dismissal from the program. The goal that the youth have been working on was \$3,000.00, which has been met and then some so the trip to Phoenix will be well covered.

First Mesa Youth Center is a rez-wide youth center, from Yuwehlo to Moencopi so we encourage the villages to bring their youth to the center and get involved, participate in events/activities, provide activities for the

community. We also encourage the community, programs, and other entities to come and utilize our center for educational or informational presentations, as long as its youth related, building fees can be waived. Our mission is to work in collaboration with the Hopi/Tewa communities to help prepare the youth to become successful and productive citizens in the future. FMYC also promotes our Hopi/Tewa values and culture through mentoring and providing opportunities to empower consistent, long term youth development programming and family support.
