Hopi voters went to the polls to cast their votes for a new Hopi Tribe Chairman and Vice Chair, in the November 9 General Election.

Timothy L. Nuvangyaoma from the Village of Mohave, defeated challenger David N. Talayumptewa, from the Village of Kykotsmovi, in the race for Chairman of the Hopi Tribal Council.

Chairman of the Hopi Tribal Council.

Clark W. Tenakhongva, from the Village of Hotevilla defeated LaMar B. Keevama, Tribal Council Representative from the Village of Kykotsmovi, in the race for Vice Chairman of the Hopi Tribal Council.

After polls closed on Nov. 9, ballots were opened and counted at the Hopi Day School in Kykotsmovi, AZ.

Early on in the count, Nuvangyaoma held a strong lead over Talayumptewa with votes from most precincts going in his favor, as well as votes from early and absent voters. Nuvangyaoma received the tap votes at 60.15%, and Talayumptewa at 39.85%, declaring victory for Nuvangyaoma as Chairman-elect.

In the race for the seat of Vice Chairman, Talayumptewa received 39.13% votes over Keevama’s 60.87% votes. Both elected leaders have never served on the Hopi Tribal Council before and come with fresh, new ideas.

Nuvangyaoma and Tenakhongva will take their oath and be sworn into Office by Hopi Court Chief Judge Karen Pennington on December 1, at 9am in the Hopi Tribal Council Chamber. They will immediately assume their seats, as Chairman and Vice Chairman of the Hopi Tribal Council, for a term of four years.

Chairman Norman G. Honanie and Vice Chairman Alfred Lomahquahu will be out of office on November 30.

For nearly half a year, the Budget Oversight Team (BOT) diligently worked on preparing a FY2018 General Fund budget to present to the Tribal Counci l for approval, considering all factors, including the directive to cut the 2018 budget by 12% of the 2017 base budget. In October, the BOT presented a budget to the Council for consideration.

After further reviews and hours of more meetings, the Council approved the FY2018 General Fund Operating Budget and the Expenditure Authorization and Appropriations Language in the amount of $17,290,000.00 on Nov. 8, 2017. Excerpts from Resolution 16-15-17 reads, "all expenditures from the Hopi Tribe’s Fiscal Year 2018 General Fund Budget shall be in strict accordance with the Fiscal Year 2018 Expenditure Authorization and Appropriations Language, which is hereby attached, attested to and incorporated in this Resolution.”

The Treasurer of the Hopi Tribe is authorized to prepare and submit the required SF 1046’s for the twelve (12) month period to the Bureau of Indian Affairs in order to draw down from the unrestricted proceeds of Labor Funds, which are a part of the projected Fiscal Year 2018 General Fund Revenue (in the amount of $14,833,194.00 with each month draw-down in the amount of $1,564,429.50 the remaining amount of $2,957,826.00 will be drawn from various revenue accounts identified on the FY 2018 General Fund Revenue Projection Sheet.”

“The Tribal Treasurer is authorized to expend said funds in accordance with the approved Hopi Tribe’s Fiscal Management Policies.”

The Hopi Tribe, through the Department of Education, and in collaboration with the Hopi Tribal Council, the Hopi Board of Education, and School Administrators and Leaders, are leading the effort for our stakeholders to envision an educational system that will educate and prepare our youth for the 21st Century.

A Tribal Education Department (TED) grant was funded to the Hopi Department of Education from the Bureau of Indian Education, and with this funding, the Hopi Tribe contracted with Public Works, LLC, one of the leading firms in the country carrying out reviews of educational policy, programs, performance, curriculum, and organization. There were a number of competitive proposals, and Public Works stood out because they have had decades of experience in performance reviews, education policy, and community engagement, including professional work with Indian tribes, including North Dakota, Alaska, and Utah. The Public Works team includes professionals with extensive careers in education, administration, community

Sixty Advancement Via Individual Determination (AVID) students from Keams Canyon Elementary School visited Hopi Jr/Sr High School Nov. 13 to learn about the AVID program at HJHS. This is the first year for AVID at KCES, which now has AVID classes for the third through sixth graders.

AVID is a program for college bound students and helps students with study skills by showing them everything from taking notes to organizing their work.

Several of the AVID students were also interviewed by Hopi High School print journalism students.

Renee Paxson, who teaches the 21 third grade AVID students at KCES, said she teaches the WI-COR method which stands for writing, inquiry, collaboration, organization and reading. She said these 21st Century skills include note taking and three inch binders where students organize the work from all their subjects.

Leroy Thomas, the sixth grade AVID teacher, said he appreciates the binders, the reading and the Cornell note strategies that come from AVID. He said his students learn E.Q., which stands for essential questions when they have a lesson.

“Does this a learning goal and make it into a question,” he said. “It’s a higher level thinking that gets students to generate questions.”

Kimberly Thomas, lead teacher, said she taught fourth grade AVID this year when KCES started out the school year without a fourth grade teacher. She likes the AVID program because it involves a lot of writing. She said another teacher is leaving the fifth grade so she will be taking over that AVID class. She said AVID is a great network because AVID teachers share a common language.

“I want to see AVID used in all the schools,” she said.

Diane Albert, who became the fourth grade AVID teacher shortly after the beginning of the school year, said she wishes AVID was in more schools because it’s a beneficial program. She said AVID showed the students that they are never too young to take notes.

“AVID is learning to observe and then sort out the information,” she said.

Person said the KCES students were also excited to take a tour of HJHS. She said AVID improves students’ assessment scores.

“It’s about being successful students,” she said.

Laurel Poleyestewa, academic advisor at KCES, said the elementary school students are learning skills that the high school students should already have. She said AVID teaches students to not lose notes and how they should study for tests.

Paxson said she learned about AVID from Poleyestewa who previously worked as an academic counselor at HJHS.

Paxson said her son Alan, now a sophomore, has been in AVID since the seventh grade.

“I had exposure as a parent about how AVID is the best program for motivating students,” she said. “AVID infuses the best practices of teaching to make learning fun. If they don’t know something it becomes a goal to learn it. It’s building a mindset for students to do what they want.”

The KCES AVID program earlier this year visited the Northern Arizona University engineering program so the young students could see what that program was like. They also visited Laguna Elementary School in New Mexico so KCES students could see how AVID worked there.

Person said AVID should raise test scores and grades. This is Paxson’s third year at KCES. Before that she taught at First Mesa Elementary School for 12 years. She is a graduate of Hopi High School and started her BA in elementary education from NAU.

“1’m excited to be a part of AVID,” Paxson said.
Chairman-elect Timothy L. Nuvangyaoma

**Hopi/Tewa Sinomuy!!  Pay nu uh, Chairman-Elect Tim Nuvangyaoma.  Kwakwa Kwah, thank you to the 1600+ people who came out to vote in the Nov. 9 election. The results showed a big difference from the primary and I'm still trying to take in how big that was!  I also want to thank all those who supported and encouraged me to run. I thank them for their ideas and opinions of what they would like to see in the future for our tribe. I want to thank all the Hopi individuals; many who have left the reservation in pursuit of an education or training and continue to live off the reservation, because of job security. Once they become trained and licensed, there are no jobs to return to on the reservation. I encourage all young people and on and off the reservation to strive for a successful life.**

Today I want to talk to you about the 2018-2020 Hopi Tribal Council. A new Hopi Tribe: the diligence of our tribal budget, our coal revenue, water rights, and the list goes on. My #1 priority is Education: this is what I campaigned on. Our schools, from Moenkopi to Kceam Canyon, need to be aligned with our common standard and goals, we can provide a quality education to our children while maintaining our language, Hopi lifestyle, customs, and traditions. These young people are our future leaders and we need to prepare them to be successful. I am happy to report we have a qualified teacher, who will soon be hired.

We will also look at the I-40 corridor studies, from Twin Arrows to Holbrook, which was done by a young Dartmouth graduate, as a potential staff member, who will take the lead in Education, business and other areas as assigned. Another area I want to focus on, is our culture and cultural resources. I will work closely with the Cultural Preservation Office (CPO). I have already met with a staff member with knowledge of their priorities. Leigh Kanwaniyata, long-time Director, who I believe will take the lead in Education, business and other areas as assigned.

Thank you to all the Hopi people who came out to vote.
