The new 19-unit apartment complex will house contract or temporary clinical staff for extended periods at the Indian Health Service (IHS) housing compound in Keams Canyon, Arizona. This \$5.3 million complex was constructed in 9-months by the Hopi Tribe project management team. The building consists of fully furnished efficiency units, one-bedroom and two-bedroom apartments. Address questions to Philline Talayumtewa at 927-734-3000 at The Hopi Tribe, Office of the Executive Director.
