

## **PUBLIC NOTICE**

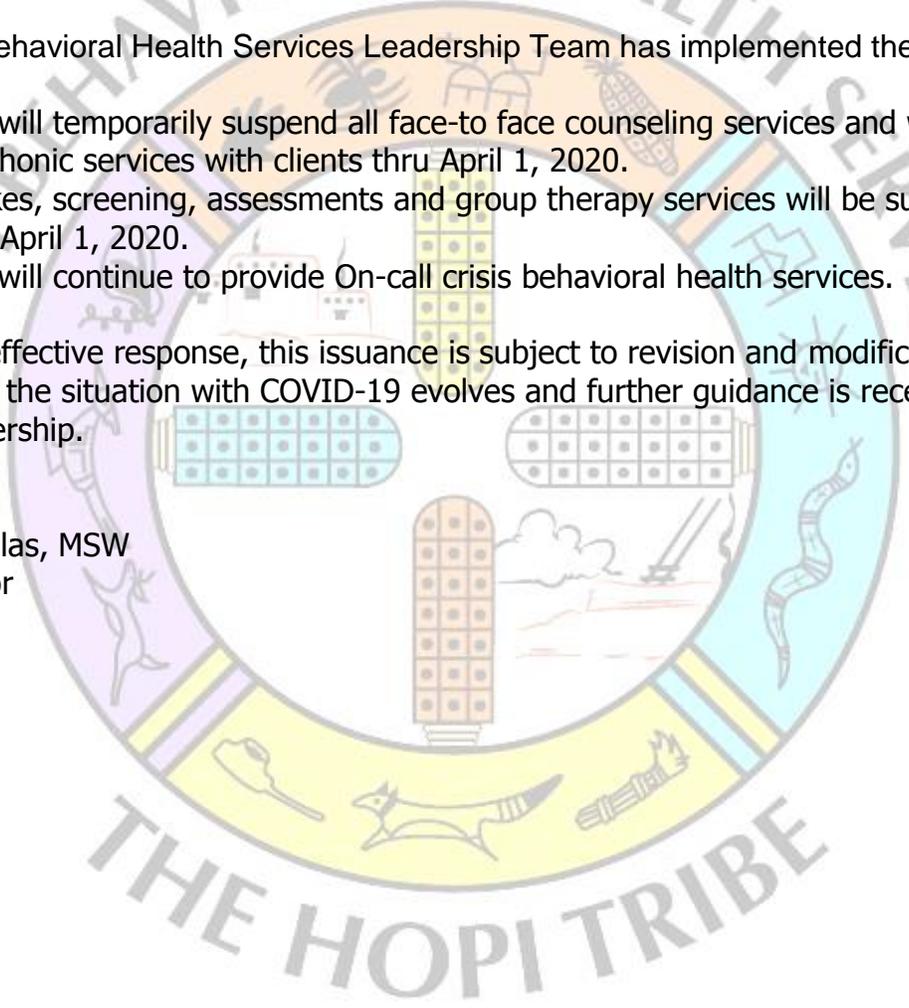

In response to the Executive Order #01-2020 Tribal Emergency Declaration for COVID-19 a pandemic posing a public health threat to the Hopi/Tewa communities and the health risks posed by its inevitable spread to the community members.

The Hopi Behavioral Health Services Leadership Team has implemented the following:

- BHS will temporarily suspend all face-to face counseling services and will provide telephonic services with clients thru April 1, 2020.
- Intakes, screening, assessments and group therapy services will be suspended until April 1, 2020.
- BHS will continue to provide On-call crisis behavioral health services.

To ensure effective response, this issuance is subject to revision and modification at any time as the situation with COVID-19 evolves and further guidance is received from Tribal Leadership.

  
Laverne Dallas, MSW  
BHS Director
