Guests, Staff, and Community,

We are living and working in very challenging times. The safety and well-being of our customers, staff, and the public has always been our highest priority. We are implementing changes and adjustments to our business operations as recommended by the CDC, Tribal, and Federal Government so that we can continue to offer services that are safe and secure for everyone.

As the situation surrounding the novel coronavirus (COVID-19) continues to evolve, we are working non-stop to address changes as they happen and ensuring that we are communicating these changes to our community, staff, and customers.

In addition to constant monitoring of the situation, we have implemented the following:

Moenkopi Legacy Inn & Suites

- The Tsotsvalki Conference Center and Experiencing Hopi Tours are closed through July 1st
- The hotel pool, business center and workout room are closed for the remainder of the year
- Additional staff have been detailed to sanitize and clean all public areas on a daily schedule
- In addition to implementing the CDC guidelines in cleaning our guestrooms, we are also adding an additional layer of cleaning and sanitizing by detailing staff to sanitize all touchpoints in guestrooms after housekeeping has completed cleaning
- The hotel breakfast room is closed until further notice, breakfast service has transitioned to a "To-Go" service. Hotel guests will be able to pick up breakfast to-go from 6am-9am
- We are prohibiting group gatherings of 10 or more people in all public areas
- All business services offered to the public, like faxes and copies are suspended until further notice. These services will be reserved for guests only

Tuuvi Travel Center

- Operating hours are 5am-9pm until further notice
- Deep cleaning of the store and all shelves and products will be done daily
- Gas Pumps and Car Wash will remain open and are 24 hours
- All Hot Foods (Popcorn, hotdogs, etc.,) will not be served until further notice

- All condiments, cups, lids, straws, and other single serve products will be distributed from behind the counter
- All machines, restrooms, entry doors, gas pumps and equipment will be cleaned and sanitized every hour and as needed

We will continue to update our website, social media, etc. with the latest information regarding travel safety and booking flexibility in our efforts to keep you informed.

We thank everyone for their continued patronage and support during these challenging times. If you have any questions, please email info@moenkopidevelopers.com or call 928.283.4500.
