The Hopi Tribe has issued Executive Order #002-2020, requiring that all residents of the Hopi Reservation stay at home, with the exception of essential personnel. A copy of Executive Order #002-2020, dated March 23, 2020, is attached, along with a copy of a Memo regarding "Tribal Government Shutdown", dated March 20, 2020. In order to protect the health of our Community and staff in response to the Corona Virus (COVID-19) outbreak, the Yuwehloo Pahki Community Administration will be **closed effective today, Tuesday, March 24, 2020 at noon until further notice.**

**FOOD BOXES:** As long as the Village of Tewa is still able to host FOOD BOX DAY, YPC Staff are able to pick up the food boxes for Community members IF you provide staff with a note allowing the pickup the morning of Food Box Day.
