Schedule of Hopi Non-Commercial Wood Permits Essential Services

The Hopi Wildlife & Ecosystems Management Program (WEMP) recognizes the continued need to provide Non-Commercial (Personal) Wood Permits to Tribal members and **residents** of the Hopi Reservation, who includes: Navajo AA **residents** and Non-Native individuals who **reside** on the Hopi Reservation. As we near the winter season, the Hopi WEMP has identified the need to continue to provide these essential services on a limited basis, due to the current COVID-19 Pandemic and continued closure of the Hopi Tribal Buildings to the public.

**The schedule will require all individuals to wear a mask, follow social distancing guidelines and other pertinent safety requirements. If you are feeling sick or have an above normal or high temperature, PLEASE stay home.**

### **OCTOBER Schedule:**

<b>September Dates</b>	<b>Hours of Operation</b>	<b>Location</b>

WEMP staff will be stationed outside of the Honahni Building to provide Hopi Wood Permits. To ensure we expedite the process, please have your Hopi Tribal Enrollment number, the location you plan to harvest wood from, and your old/expired permit.

WEMP will **only** issue permits to those who will actually be harvesting the wood and we will **not** issue a permit to anyone to harvest wood, on your behalf. This ensures the permitted individual complies with all laws, ordinance and regulations.

**Due to the upcoming floor renovation project scheduled for the Honahni Building, inclement weather and any changes in the COVID-19 Pandemic cases, the schedule is subjected to cancellation and change in location at any time, in the best interests of public health and safety.
