Dear Student:

The Hopi Tribe Grants and Scholarships will be extending the deadline date for the Spring 2021 deadline date to January 15, 2021. Currently, the building that houses HTGSP will not be accessible for entry. The Hopi Tribe Office of Facility Management will be conducting a carpet removal/tile replacement project. This project is estimated to last about a month. Due to the estimated length of the project we will not have access to student files. This will impede the program staff to review applications effectively.

Therefore, the HTGSP Board has taken formal action and approved the new deadline date of January 15, 2021 by 5:00 p.m. (MST) for Spring 2021 only applications. Applications can be found on the Hopi Tribe website at <https://www.hopi-nsn.gov/hopi-grants-scholarships-program-applications/>.

The following staff may be contacted Rose Polivema, MIS/Intake Coordinator at RPolivema@hopi.nsn.us or (928) 205-8739; Modonna Huma-Dawasevaya, Higher Education Advisor at MHuma-Dawasevaya@hopi.nsn.us or (928) 401-8106 or myself at KSumatzkuku@hopi.nsn.us.

All applications must be scanned (PDF only) to Rose at the email listed. Please continue to be safe and wear your mask.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathlene Sumatzkuku".
