CARES ACT COMMITTEE of THE HOPI TRIBE

*The Hopi CARES Act Committee requests the public's help locating
GWEAP recipients.*

The Hopi CARES Act Committee submitted Action Item 077-2020 “to adopt a General Welfare Ordinance so that assistance programs can be created to provide non-taxable benefits using the CRF and other funding sources.” Hopi Tribal Council by majority vote approved the Hopi Tribe General Welfare Assistance Policy on September 8, 2020.

The General Welfare Emergency Assistance Program (GWEAP) requests the public's help locating a number of recipients who have not received their GWEAP checks. The GWEAP program has made numerous attempts to contact certain recipients without any success.

We need your help locating the following individuals:
