

Wildlife & Ecosystems Management Program Public Notice

"Due to unforeseen circumstances, Hopi WEMP had to push back the date for issuing and pick up of 2021 Hopi General and Minor Deer permits. The new date for pick up will be Friday, December 10, 2021 beginning at 9 am in the Building #505 of the Turquoise Well Tribal Complex.

We unfortunately had issues with our generator which led to no power and no heat, which caused a delay in printing all the permits.

To set up an appointment to pick up your permit, please call (928) 497-1014 or email PNutumya@hopi.nsn.us. Please bring a copy of your vaccine card for verification (if not provided) and if you are a minor hunter, a copy of your vaccine card and your hunter education card.

Our apologies for this inconvenience. We will have everything ready by Friday, December 10th.
"

Appreciate if you can place it on the site as soon as possible. Thank you.
