INTRODUCTION: This position is responsible for planning, directing, administering and supervising activities associated with the administrative operations of the Yuwehloo Pahki Community in accordance with the Community Charter and By-Laws.

DUTIES: (The following examples of duties for the Community Service Administrator are intended to be illustrative only and should not be viewed as all inclusive or restrictive).

1. Provides leadership & strategic direction in managing the administrative operations of the Yuwehloo Pahki Community; maintains close working relationship with the Board of Commissioners (supervisors).

   • Primary responsibilities include...

   • Develops and implements strategic & operational plans, goals & objectives, quality standards, administrative policies & protocols, management systems & controls, supporting budgets (including cost estimates/projections & budget amendments/modifications), etc.;
   • Develops and periodically reviews, revises and executes the organization mission and strategic operational plan for the village;
   • Establishes and maintains an effective organization structure & staffing plan; reviews and makes recommendations for approval of all proposed functional & staffing charts for purpose(s) of uniform growth and overall efficiency;
   • Provides guidance on matters of policy, village budget, publication and legal responsibility;
   • Reviews & approves internal administrative agreements and commitments under the community in accordance with established policies;
   • Conducts assessment and implements new management systems and major modifications to existing systems, i.e., introduction of new technology concepts & associated hardware & software programs, etc.;
   • Provides supervision, mentorship, training, and evaluation of staff; and
   • Generates operational and project management reports.

   • Principle accountabilities include...

   • Cost effective development, establishment and maintenance of administrative services and management systems which enhances quality & production, competitiveness, compliance with Tribal management policies, procedures & practices, and including provisions for effective controls;
   • Correct interpretation, implementation, maintenance of departmental and internal office policies, procedures & practices including provision of effective controls & audit capabilities;
   • Effective and compliant management of financial, business & administrative transactions and policies & procedures;
   • Acquisition and maintenance of competent & skilled staff and training resources necessary to meet obligations;
   • Timely completion & submittal of employee performance plans & evaluation reports, employee training & development plans, position description questionnaires & position description amendments, modifications, etc.; and
   • Accurate, complete and timely submission of required management and technical reports.

2. Prioritizes projects based on community needs and utilizes local governmental agencies and other developmental agencies/personnel to secure technical assistance in implementing community development plans and coordinating project activities.

3. Provides guidance and technical assistance to Board of Commissioners (BOC) for preparing funding proposals/applications relating to comprehensive community development planning and for project management operations through the village, tribe and other funding sources.
4. Collaborates with community members, Hopi Tribal government officials, federal, state and local governmental agency representatives, etc., to facilitate communications and to seek technical assistance. Attends public meetings/forums to represent Yuwehlooh Pakhi Community interests and to advocate for the community members.

5. Serves as direct line supervisor to Yuwehlooh Pakhi Community staff; obtains maximum utilization of their services by clearly defining their responsibilities & duties; establishing performance plans, conducting periodic & timely performance reviews & evaluations; providing appropriate mentoring/coaching & training and taking appropriate follow-up actions as necessary.

6. Develops and implements new administrative policies & procedures and protocols for guiding the administration of office operations and for implementing village goals & objectives, including benchmarks & performance measures to ensure production, effective & efficient delivery of services, expenditure controls, timelines, etc.

7. Maintains positive and effective relationships with external organizations both public & private, and works to ensure that the goals & objectives of the Yuwehlooh Pakhi Community are advanced and enhanced in accordance with established plans and general policies.

8. Ensures that the BOC is kept fully informed of the conditions and progress of community administration operations and project activities including all-important factors influencing them and provides professional advice and guidance on matters of significant importance.

9. Performs other duties as assigned or authorized by the supervisor(s) in order to achieve the community’s goals and objectives.

**COMPLEXITY:** The work includes varied duties that involve unrelated steps, processes or methods regarding the development of community services/infrastructure and management of administrative operations. Decisions regarding what needs to be done requires the incumbent to recognize the existence of and differences among several alternatives for less complex matters; and conduct analysis of the subject, phase or issues involved for more complex and controversial matters prior to taking action.

**SUPERVISION RECEIVED:** The incumbent is responsible/accountable to, and works under the general oversight/supervision of the Board of Commissioners (BOC), which sets the overall objectives and determines and defines available resources. The incumbent, in consultation with the BOC, develops policies, projects, priorities, deadlines and work standards to guide the pursuit of village objectives. The incumbent is responsible for planning and carrying out the assignments independently, resolving conflicts, which may arise. Completed work is reviewed from an overall standpoint in terms of feasibility, compatibility and effectiveness in achieving expected results.

**PERSONAL CONTACTS:** Contacts are with other employees within/outside the immediate work area, Tribal Council & Officials, private & public sector businesses/organizations and the general public. The purpose of these contacts is to exchange information related to planning, coordination & project management/assessment, building business relationships, provide assistance/advisement to others and to resolve situations by influencing or motivating others in working towards mutual goals.

**PHYSICAL EFFORT & ENVIRONMENTAL FACTORS:** The work of the incumbent is mostly sedentary and performed in a standard office environment requiring normal safety precautions typical of office/meeting rooms and working around office machines/equipment. The incumbent is required to attend meetings, evenings and holidays when necessary to accomplish objectives within project deadlines. Frequent travel on and off the reservation is required.

**MINIMUM QUALIFICATIONS:**

1. Required Education, Training and Experience:

   A. Education : Bachelor's Degree in Public Services Administration, Business Management or related field;
AND

B. Training: Training in project planning, grants/contracts administration, funds development, budgeting and office/records management;
