GOVERNOR HOBBS TO PRESENT THE FIRST-EVER GOVERNOR'S AWARD

The Hopi School Recognized for Its Preservation of Culture

FOR IMMEDIATE RELEASE

Submitted by: Patrick McWhortor, CEO - Arizona Citizens for the Arts

Phoenix, Ariz.— October 17, 2023 Arizona Citizens for the Arts (AZCA) announced that Governor Katie Hobbs will present the first-ever Governor's Award this Thursday evening at the Arizona Creative Excellence Awards.

Hopitutuqaiki, The Hopi School, will receive the honor at the ceremony, which begins with a reception at 6:30 pm on Thursday evening at The Madison Center for the Arts in Phoenix.

The Hopi School is in Kykots-movi in Navajo County. The school creates opportunities, through a supportive learning environment, where people share unique talents using the strengths of Hopi language, values and culture. Learning this rich tradition includes classes in traditional and non-traditional art and craft forms.

The Governor's Award is a new recognition added to the 40-year-old awards program. Governor Hobbs herself selected Hopitutuqaiki to receive the award, which was on a short list of eligible grantees of the Arizona Commission on the Arts determined by staff of the Commission and Arizona Citizens for the Arts. The award recognizes exemplary programs that reflect the unique and diverse cultures of Arizona and that are not high profile, an "unsung hero," of sorts.

"Governor Hobbs selected an organization that literally defines the intent of the criteria for the new Governor's Award," explained Patrick McWhortor, CEO of Arizona Citizens for the Arts. "The Hopi School is dedicated to ensuring that future generations of Hopi continue the language and traditions that their ancestors have been practicing in Arizona for thousands of years."

The Governor will make opening remarks before kicking off the awards with the presentation to The Hopi School.

Other awards to be presented Thursday include the prestigious Shelley Award, going to Cindy Ornstein, recently retired Executive Director of Mesa Arts Center; the Arts Champion Award, shared by State Representatives Justin Wilmet (R-Phoenix) and Marcelino Quiñonez (D-Phoenix); and the new Oonagh (pronounced oo-nah) Award, which recognizes creative community collaborations in arts and culture.

Arizona Citizens for the Arts is the state's only grassroots advocacy organization dedicated to building a thriving creative economy through community support of arts and culture. Its Partners hail from all corners of the state and proceeds from the annual event support the organization's year-round advocacy efforts.

More information about the event and the link to purchase tickets are available on the AZCA website at <https://azcitizensforthearts.org/arizona-creative-excellence-awards-2023/>.

Luncheon and Information Session held on Hopi Lands

By: Romalita Laban, Managing Editor - Hopi Tutuveni

Kykotsmovi, Ariz. – October 20, 2023 The Bears Ears Commission/Coalition extended outreach efforts on Hopi by hosting a luncheon and information session during which they provided handouts (see this publication for some of that which was provided), PowerPoint presentations, partnering agency information, raffle drawings and quizzes for student participation.

In addition to providing introductions to the Commission/Coalition members, Hopi Cultural Resource Advisory Team, Hopi Cultural Preservation Office staff, local Hopi students from Second Mesa Day School

and Hopi Day School were present to show just how much knowledge they have about Bears Ears with all doing a great job during the quiz portion of the event.

Staff appointed by the Commission/Coalition also presented and aided in facilitating the event while staff from the Office of the Chairman and Vice Chairman served the luncheon meal to attendees. Approximately 100+ individuals were in attendance which included staff from various Hopi Tribal Government departments and Village Offices. Complimentary lemonade and fruit drinks were also provided for attendees from local Hopi small business entrepreneurs.

Bears Ears Tribal Land Management Plan Summary

The five Tribes of the Bears Ears Inter-Tribal Coalition – Hopi, Navajo Nation, Ute Indian Tribe, Ute Mountain Ute, and Zuni – have deep traditional cultural beliefs that tie them to the land and have created a Land Management Plan (LMP) for Bears Ears National Monument (BENM) in line with these beliefs. The Land Management Plan provides a synthesis of Tribal perspectives on the connections to and stewardship of the Bears Ears landscape, emphasizing a holistic approach to all resources and prioritizing Indigenous Knowledge and perspectives.

Bears Ears was the first National Monument to be established at the request of a coalition of Tribal Nations. Both President Obama and President Biden explicitly stated the need for Tribal-Federal collaborative management of Bears Ears in Presidential Proclamations 9558 and 10285 that established and restored BENM. Collaboration between Tribal Nations and Federal agencies is seen as the foundation for both planning and implementation of day-to-day management decisions with the common goal of long-term, sustainable management of the Bears Ears landscape. The goals of collaborative management in BENM as envisioned in the LMP can be summarized as follows:

- Establish a proactive process for the Tribal Nations of the BEITC to collaboratively manage BENM with Federal land managers.
- Have Indigenous Knowledge and Native ways of knowing given equal consideration with knowledge from Western scientific processes.
- Create by-laws for equity between Tribes and Federal land managers.
- Secure Federal funding for and create a full-time collaborative Tribal Management staff to participate in collaborative management with Federal land managers.
- Establish and fund a Traditional Knowledge Institute that has programs that would have a Native benefit.
- Establish a reciprocal data sharing relationship between Tribes and Federal land managers with enhanced data acquisition for Tribes.
- Ensure Tribal input on collaborative land management planning.

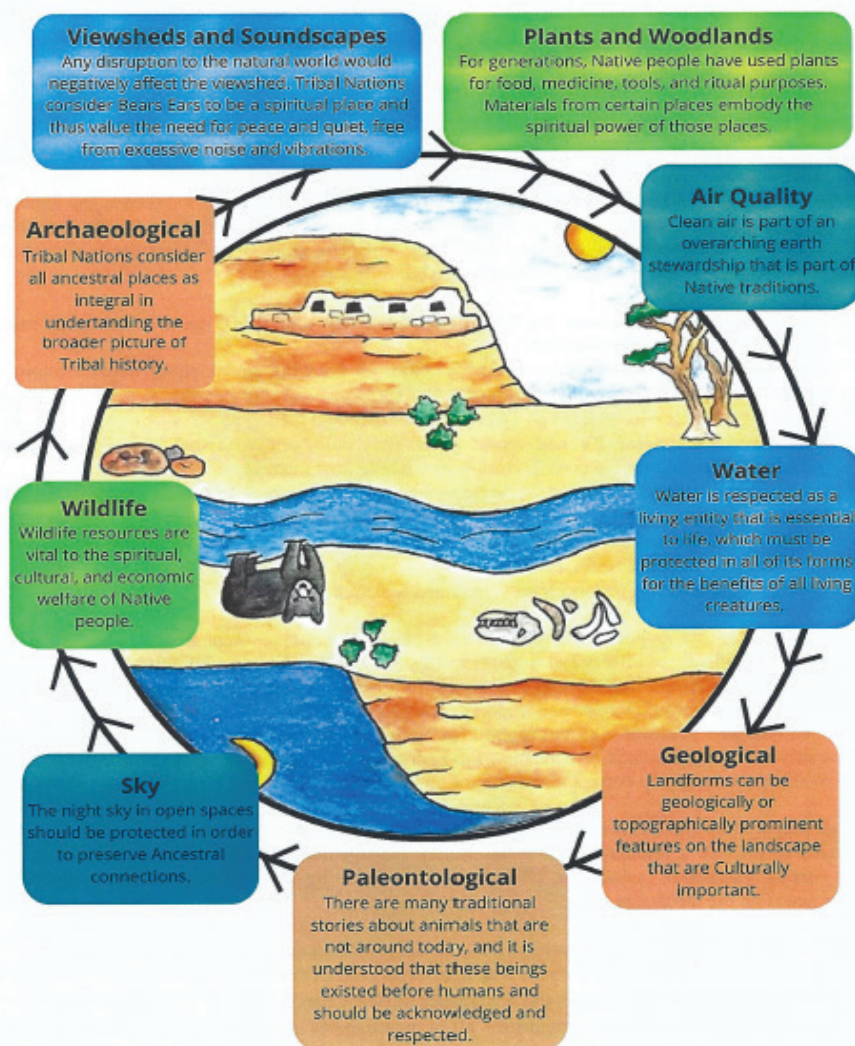

In addition to identifying goals and opportunities for collaborative management, the Tribal Land Management Plan identifies threats and impacts to the landscape and current knowledge gaps. The LMP names extractive industries like oil and gas, livestock grazing, increased recreation and tourism, and climate change as the primary threats and impacts facing the Bears Ears landscape. Additionally, the LMP describes current gaps in knowledge and support for Native-led cultural, ethnobotanical, and other natural resource survey. Lastly, the lack of education for Federal managers on Native stewardship education is identified as a primary gap in current management practices.

Although prepared for the BENM, the LMP can be applied beyond the boundaries of the Monument, as it is intended to provide a foundation for collaborative management of ancestral lands that extend well beyond current reservation boundaries. This plan is intended to be a living document that will evolve as different needs on the landscape arise.

The following visual representation portrays the cultural resources described in the LMP and Tribal approaches to their stewardship. The circle with arrows represents the interconnectivity and interrelation of all resources, environments, spaces, and landscapes in Bears Ears. Cultural resources and natural resources can not be separated into categories – all of nature exists in sacred interrelation and unity with humans as part.

Hopi Tribe Department of Health and Human Services Covid-19 Emergency Response - Re-publication

Submitted by: Joyce Hamilton, Director - DHHS

Kykotsmovi, Ariz. - October 13, 2023 The days of long warm summer nights are long gone; as we move into the Fall and Winter seasons the immediate self-care we can give ourselves and our loved ones the message of taking necessary precautions against infectious diseases such as the flu, common cold and COVID. COVID viruses continue to be transmitted via close contact with someone with the virus. Data from the Hopi Health Care Center indicate a substantial decline in COVID-19 positive cases; what is not reflected in the Hopi Health Care Center weekly surveillance report are home COVID-19 test kits results. The COVID-19 home test kits have revealed positive cases which are then referred to the HHCC Public Health Nursing Department to provide care and guidance for the individual and their family. Recommendations to prepare for protection against the flu, common cold and COVID-19:

1. Everyone 6 months and older, regardless of current vaccination status, should get an updated COVID-19 vaccine.
2. People with cold like symptoms should still masks and get tested for COVID-19.
3. Those with confirmed or suspected COVID-19 should continue to follow current guidelines for isolation including staying home and wearing a mask around others for at least 5 days after their symptoms started or after a positive test if no symptoms.
4. Those exposed to COVID-19 should continue to follow recommendations including wearing a mask around others, monitoring for symptoms, and getting tested at least 5 days after last exposure.
5. People may choose to wear a mast at any time based on personal preference, but may be required in other places by local authorities (i.e., individual villages, businesses, and schools.)
6. Those that are concerned they may be at risk for serve disease, should talk to their health care provider about additional prevention actions.

Frequently asked questions:

How do I know if I have all my vaccinations up to date?

Your question on vaccinations would be best answered at the medical facility where you receive services. For example; you medical receive services at Hopi Health Care Center; the Public Health Nursing office can answer your vaccination questions such as last Flu vaccination and COVID-19 vaccination.

Where can I get vaccinated for the Flu or COVID-19?

The Hopi Health Care Center allows members to walk-in for vaccinations during operating hours. Operating hours for a walk-in vaccination is 8:00 a.m. – 5:00 p.m. Monday, Tuesday, Thursday and Friday; Wednesday from 1:00 p.m. - 5:00 p.m.

Where can I get a COVID-19 home test kit?

You can contact the Hopi Community Health Representative (CHR) program for a COVID-19 home test kit. A CHR will follow-up with you two business days to follow-up on test results. All COVID-19 positive tests are referred to the Public Health Nursing department for medical advice and guidance.

Are there FREE masks available on Hopi Reservation?

Yes, the Hopi CHR program has face masks for the community and is available Monday – Friday during normal business hours from 8:00 a.m. – 5:00 p.m.

Hopi Tribe

Department of Health and Human Services Covid-19 Emergency Response Re-publication, contin.

continued from pg. 7,

Is the Hopi Tribe Executive Order lifted?

Hopi Tribe Executive Order No. 001-2023 remains in place. The Executive Order lifted the Face Mask Mandate; wearing of face masks is optional except in the case of a COVID-19 positive, the recommendation is wearing a face mask until symptoms clear.

How does the Executive Order impact me?

- Vulnerable Individuals can resume public interactions, but should practice social distancing wearing face masks, and minimizing exposure to social settings where distancing may not be practical, unless precautionary measures are observed.
- Employees can resume UNRESTRICTED STAFFING of worksites, Businesses must be able to demonstrate engineered workplace settings that build in social distancing and protections for staff.
- Specific Type of Employee – VISITS TO SENIOR CARE FACILITIES AND HOSPITALS can resume. Those who interact with residents and patients must be diligent regarding hygiene. LARGE GATHERINGS (e.g., eating out, sporting, ceremonies) may operate under limited social distancing protocols and sanitation protocols.
- WELLNESS CENTER GYM can remain open if they follow standard sanitation protocols and make SPECIAL ACCOMMODATIONS (i.e. hours or programs specifically for high risk individuals)

The Hopi CHR program can be reached at (928)737-6342 and the Hopi Health Care Center Public Health Nursing department can be reached at (928)737-6257 for questions on vaccination clinic dates and times.
