Hopi Vice Chairman Craig Andrews Declares Mask Man- date - Effective 11/3/23 for Hopi Tribal Government Offices, Employees and Its Visitors

**By: Romalita Laban, Manag-
ing Editor - Hopi Tutuveni**

**Kykotsmovi, Ariz.- Friday,
November 3, 2023** At the end of
the October 29, 2023 work week,
Wilfred Gaseoma, Staff - Office
of the Vice Chairman issued an
email notification regarding,
“Re-mask memo” to the “HTALL”
List Serv with an undated MEM-
ORANDUM Word document
attachment addressed to “All Hopi
Tribal Staff” with subject line
“RE: Mask mandate for All Tribal
Employees and Visitors” noting
“mask coverings effective today.”

Hours later, at approximately
4:38 p.m. on the same day, Gas-
eoma issued another email with
Subject, “Emailing: Mask up”
with another undated “MEM-
ORANDUM” PDF document
attached. The memorandum was
addressed to “All Hopi Tribal
Staff” with Chairman Timothy
Nuvangyaoma’s signature “for”
Vice Chairman Craig Andrews
with an additional notation of the
effective date being “11/3/23.”

To provide the Hopi public
more information, Hopi Tutuve-
ni contacted Gaseoma and Vice
Chairman Andrews in attempts to
gather data and information and/
or a Press Release, noting what
prompted the mandate and how
long it would be in effect.

At publication submission dead-
line, no responses to the email,

which was sent by Hopi Tutuveni,
or a Press Release were received
from Gaseoma, Vice Chairman
Andrews or any other Hopi Tribal
Leadership, included in the email.

Other Hopi Tribal employees
did, however, make contact with
Hopi Tutuveni to express grati-
tude for submitting the inquiry, as
they too had questions and con-
cerns about why the mandate was
issued.

One employee provided statis-
tics about Arizona and noted that
Navajo County is listed as one of
three in the “yellow zone.”

While that information is true,
it still cannot be confirmed as the
reason for Vice Chairman issuing
the mandate, due to not having a
reply or Press Release confirming
reasons for the mandate.

To date, local businesses locat-
ed just a couple of miles away
from the Hopi Tribal Government
complex in Kykotsmovi, Ariz. are
not under a mask mandate. Nei-
ther are local Hopi schools or the
Hopi Health Care Center located
in Lower Polacca, Ariz.

For now, the public is being pro-
vided this limited notification that
masks must be worn in all Hopi
Tribal Government offices and by
Hopi Tribal employees, as well.

Questions regarding the Vice
Chairman’s mandate can be direct-
ed to his office.

Hopi Tribe Department of Health and Human Services Covid-19 Emergency Response - Re-publication

Submitted by: Joyce Hamilton, Director - DHHS

Kykotsmovi, Ariz. - October 13, 2023 The days of long warm summer nights are long gone; as we move into the Fall and Winter seasons the immediate self-care we can give ourselves and our loved ones the message of taking necessary precautions against infectious diseases such as the flu, common cold and COVID. COVID viruses continue to be transmitted via close contact with someone with the virus. Data from the Hopi Health Care Center indicate a substantial decline in COVID-19 positive cases; what is not reflected in the Hopi Health Care Center weekly surveillance report are home COVID-19 test kits results. The COVID-19 home test kits have revealed positive cases which are then referred to the HHCC Public Health Nursing Department to provide care and guidance for the individual and their family. Recommendations to prepare for protection against the flu, common cold and COVID-19:

1. Everyone 6 months and older, regardless of current vaccination status, should get an updated COVID-19 vaccine.
2. People with cold like symptoms should still masks and get tested for COVID-19.
3. Those with confirmed or suspected COVID-19 should continue to follow current guidelines for isolation including staying home and wearing a mask around others for at least 5 days after their symptoms started or after a positive test if no symptoms.
4. Those exposed to COVID-19 should continue to follow recommendations including wearing a mask around others, monitoring for symptoms, and getting tested at least 5 days after last exposure.
5. People may choose to wear a mask at any time based on personal preference, but may be required in other places by local authorities (i.e., individual villages, businesses, and schools.)
6. Those that are concerned they may be at risk for serve disease, should talk to their health care provider about additional prevention actions.

Frequently asked questions:

How do I know if I have all my vaccinations up to date?

Your question on vaccinations would be best answered at the medical facility where you receive services. For example; you medical receive services at Hopi Health Care Center; the Public Health Nursing office can answer your vaccination questions such as last Flu vaccination and COVID-19 vaccination.

Where can I get vaccinated for the Flu or COVID-19?

The Hopi Health Care Center allows members to walk-in for vaccinations during operating hours. Operating hours for a walk-in vaccination is 8:00 a.m. – 5:00 p.m. Monday, Tuesday, Thursday and Friday; Wednesday from 1:00 p.m. - 5:00 p.m.

Where can I get a COVID-19 home test kit?

You can contact the Hopi Community Health Representative (CHR) program for a COVID-19 home test kit. A CHR will follow-up with you two business days to follow-up on test results. All COVID-19 positive tests are referred to the Public Health Nursing department for medical advice and guidance.

Are there FREE masks available on Hopi Reservation?

Yes, the Hopi CHR program has face masks for the community and is available Monday – Friday during normal business hours from 8:00 a.m. – 5:00 p.m.

Department of Health and Human Services Covid-19 Emergency Response Re-publication, contin.

continued from pg. 7,

Is the Hopi Tribe Executive Order lifted?

Hopi Tribe Executive Order No. 001-2023 remains in place. The Executive Order lifted the Face Mask Mandate; wearing of face masks is optional except in the case of a COVID-19 positive, the recommendation is wearing a face mask until symptoms clear.

How does the Executive Order impact me?

- Vulnerable Individuals can resume public interactions, but should practice social distancing wearing face masks, and minimizing exposure to social settings where distancing may not be practical, unless precautionary measures are observed.
- Employees can resume UNRESTRICTED STAFFING of worksites, Businesses must be able to demonstrate engineered workplace settings that build in social distancing and protections for staff.
- Specific Type of Employee – VISITS TO SENIOR CARE FACILITIES AND HOSPITALS can resume. Those who interact with residents and patients must be diligent regarding hygiene. LARGE GATHERINGS (e.g., eating out, sporting, ceremonies) may operate under limited social distancing protocols and sanitation protocols.
- WELLNESS CENTER GYM can remain open if they follow standard sanitation protocols and make SPECIAL ACCOMMODATIONS (i.e. hours or programs specifically for high risk individuals)

The Hopi CHR program can be reached at (928)737-6342 and the Hopi Health Care Center Public Health Nursing department can be reached at (928)737-6257 for questions on vaccination clinic dates and times.

Hopi Wellness Center Reminder

November is National Diabetes Awareness Month

By: Andrea Siow, Physical Fitness Coordinator - Hopi Wellness Center

Kykotsmovi, Ariz. - November 1, 2023 Today we kick off a new month. November is National Diabetes Awareness month and we want to share a few health tips to bring awareness to this month's health topic.

WHAT IS DIABETES?

Diabetes is a chronic condition that occurs when your blood glucose, also known as blood sugar, is too high. When it's not managed, diabetes can damage the eyes, kidneys, nerves, heart, and is linked to certain types of cancers. If you have pre-diabetes, diabetes or want to lower your risk of diabetes, taking charge of your health as soon as possible may help you prevent other health problems.

Prevention is key and we encourage everyone to "Take Charge of Tomorrow", to prevent diabetes health related problems before they begin or worsen.

Our doors are open and we invite you to join us during this month's awareness activities. Attached is the November group fitness schedule which also includes classes currently being offered at the Hopi Health Care Center.

Have a FABULOUS month!

Veteran’s Day Message from Hopi Veterans Service

By: Eugene Talas, Director - Hopi Veterans
Office

Kykotsmovi, Ariz. - November 3, 2023 On
November 11th of each year, the nation, cities,
towns and villages join together to recognize our
Veterans who served in the U.S. Armed Forces.

It’s a day set aside to distinguish those Vet-
erans, men and women, who served honorably
during all phases of eras; peacetime and war.

Here on Hopi, we too honor and remember our
Hopi/Tewa Veterans who have served since the
1900’ to present.

Veterans have served 4, 8, 10, 20 or 30 years
in the military uniforms of the Army, Navy, Marine
Corps, Air Force, Space Force and Coast Guard.

As the Tribe embarked on the three-day holi-
day, we hope you took time to Thank or Welcome
Home the Veterans in your villages and commu-
nities.

Finally remember we have Hopi Tribal Em-
ployees who have served honorably as fellow
“comrade in arms” and are serving our Hopi/Tewa
Senom still today in many functions.

So Thank you! Kwa kway! To our Veterans lo-
cally and across the nation.

And “Welcome Home; Soldier, Sailor, Marine,
Airman, Guardian and Guardsman!”

Hope all had a great Veterans Day!
